

## God Wars: The Beginnings... (Unbelief Book 4)

This is a prequel. Its highly recommended to read the Unbelief Series first. In the Beginning... Believing wasn't always a crime. Faith in God wasn't always illegal. In the glory days of the Old World, there were many who lived out their faith in full view of all, and taught their children, and their children's children about God, their beloved Creator. In those days, prayer was still allowed in schools, church was still held on Sundays with picnics and family get-togethers afterward, and the spare change that jangled in everyone's pockets still carried the words In God We Trust. Then the God Wars happened. Life was never the same again.
