

Dharma Book Devil Tigers *OP (Kindred of the East)

Dharma Book: Devil-Tigers is the first in the series of Dharma Books for Kindred of the East, following in the tradition of Vampires Clan books. It details the powers, secrets and hidden agendas of the Devil-Tigers. Outsiders consider these undead monsters, wanton killers, infernalists or beasts. Those who follow this Dharma only laugh at such notions. The truth, you see, is far, far worse.
