

Intimate Relationships

Intimate Relationships, 3rd edition, by Sharon S. Brehm, Rowland S. Miller, Daniel Perlman, and Susan Campbell preserves the personal appeal of the subject matter and vigorous standards of scholarship that made the earlier editions so successful. Written in a unified voice, this text builds on the reader-friendly tone that was established in the first two editions. It presents the key findings on intimate relationships, the major theoretical perspectives, and some of the current controversies in the field. Brehm, Miller, Perlman, and Campbell illustrate the relevance of close relationship science to readers' everyday lives, encouraging thought and analysis. Classic contributions to the field are covered in addition to topics on the leading edge of research.

Are you giving up your true self for intimacy? Get clear on your rights and stand up for them to find genuine happiness. This suggests that parent-child relationships early in life should influence adolescent and young adult intimate relationships through the views they cast of how the aim of this study is to investigate the consequences for linked lives of entering into new intimate relationships in later life.
