

## Pulse Points

THE MORE SHE TRIES TO FORGET Kasey Ellis life is shattered after she witnesses the murder of her friend and business partner at their Tyler, Texas, advertising agency. Though Kasey can't identify the killer, she believes the killer saw her and that her life is now in danger. And, as if trying to salvage her company and her sanity isn't trouble enough, Tanner Hart has walked back into her life. THE EASIER IT IS TO REMEMBER A former bad boy who's made good, Tanner is now running for the Senate and needs Kasey's media savvy for his campaign. Accepting his offer means she can only try to forget that, twenty years ago, a night of passion in Tanner's arms left her with a son whom another man raised as his own. Tanner's return awakens emotions that never died. But as the media circus surrounding his campaign grows, so do Kasey's fears about the killer's identity and about her own devastating secret. Soon there's nowhere to hide from the danger, from the truth or from her deepest desires.
