

## A Moon Made of Copper

A moon made of Copper is a collection of non-fiction poems that look at the continual maturing and growth of a human being. The poems were written while touring across Canada, and they capture Boses experiences meeting people, wandering different cities, and getting into adventures and mis-adventures. This is Boses second book since Stone the Crow.

Go Down Copper & Leather Necklace - Hand Made by August Moon New York City. Copper Moon World Cafe is bringing the best in specialty coffee to our community.
