

Roses for the Pacific Northwest

Sooner or later every gardener comes around to roses. Of all flowers in all the gardens of the world, roses seem to exercise the greatest powers of attraction while at the same time generating the greatest apprehension and fear of failure. Let Christine Allen guide you as you choose your roses and care for your rose garden. Christine Allen is a writer and gardener. She joined the Vancouver Rose Society in 1987 and was its president in 1997 and 1998. She teaches courses on rose care and cultivation at Van Dusen Garden in Vancouver, where she also works as a volunteer. Christine lives on a farm in Langley, British Columbia, and grows over 200 roses, among herbs and perennials in her large country garden. Chapters include: Choosing a Rose; Suitable Roses for our climate; Preparing and designing the site; Amending your soil; Care and cultivation; Year round maintenance; Pruning; All-important pest control.
