

Dead Sight (Dead Sleep Trilogy Book 2)

Darkness has overtaken the path. Once, Jack could see the future. Using that amazing ability, he saved the woman he never knew he loved from a fate she didn't deserve. Now, that sight has vanished. He and Kristina are flying blind. The only option? To reach South Dakota and search out the last living link to Jack's past and discover their shared destiny. They won't rely on Jack's vision, but instead will put their faith in a man dead for over 70 years. Together, they'll find that even in their weakest moments, they've never been stronger. They'll discover that the secrets they uncovered in *Dead Sleep* are not the end of the story. The second book in the *Dead Sleep* trilogy reunites the reader with Jack and Kristina, propelling them upon a perilous journey even deeper into the stunning world created by Will Swardstrom. Bonds will be tested. Love will be lost. When faced with an impossible choice, what will Jack choose?
