

The Complete Idiots Guide to Beer Tasting (Idiots Guides)

Choosing a beer is no longer a simple process, as the beverage has gone from a world of relatively small offerings from major brewers to a universe of hundreds of unique styles from around the world. The Complete Idiots Guide to Beer Tasting is a comprehensive introduction to the vast styles and complex characteristics of beer, including brewing style, the yeasts and hops that determine taste and character, how the various grains are used in brewing, and more. Readers will discover how the brewing process can affect a beer, learn to recognize beer tasting notes and aromas, identify unique styles, select the right glassware, and much more.
