

The Reach

Young Sarah is no ordinary girl. She's been diagnosed as schizophrenic and locked away in a children's psychiatric ward. But that's not what makes her special. She also has a very strange and powerful gift. Scientists have been studying Sarah's remarkable psychic power for years, enhancing it, manipulating it, twisting it into something evil. But their plans have gone horribly wrong. How much longer can they control Sarah? And what will happen if her powers are unleashed?
