Warchild: Pawn
The world ended long before Caroline Mathers was born, but that doesn't mean life stops for the fourteen-year-old army scout for the Peoples Republic of Virginia. With a civil war brewing on the horizon, she slinks through the forests surrounding her encampment, monitoring the woods for nomadic bands of criminals, all while keeping a watchful eye on her dangerous northern enemies from the Democratic Alliance. Caroline's worst fears come true the day she hears the terrifying boom of distant drums beating to the war rhythm, echoing throughout their quiet valley. With some help from two unlikely allies, Caroline leads her people in a breathtaking retreat, praying they'll find salvation in their capitol city. Along the way, haunting dreams may reveal a look into her mystifying past.

Warchild: Judas
Hope alone can not win the war. Caroline Mathers, Forward Scout of the Peoples Republic of Virginia, leads her people to safety after a harrowing escape through the Appalachian Mountains. But, the security of their capitol city won't last for long...maybe even less than a night. Old friends are left behind, while inside the walls, new alliances are formed and trust betrayed. Empowered by the strength of a massive army, their northern enemies suffocate the city outside the walls, preparing to take control of what they believe is rightfully theirs: citizen slaves. With the help of her fellow Kinder, Finn, and an ill-equipped group of

volunteer soldiers, Caroline must defend her city to the last breath or watch her people marched away in chains. Warchild: Spirit For the citizens of the Peoples Republic of Virginia, their last hope of freedom has faded with their spirits. The eternal rains continue to fall. Tired, hungry, and soaked to fragile bones, theres nothing left to do but march toward the only fate they have left: a life in slavery. But not if Caroline can help it. Shes out of options, but giving up was never one of them. Facing overwhelming new challenges and old enemies, Caroline soon learns that even when the bullets stop flying, the war is never over.
